## CSA SUBSCRIPTION OPTIONS:

The 2023 CSA (Community Supported Agriculture) season will run 20 weeks from June 21<sup>st</sup> until Nov 1<sup>st</sup>. CSA shares can be delivered to a drop site in Marquette, to your home, or they can be picked up at the farm. Delivery times listed below are approximate and may be slightly adjusted before the season begins. Members are responsible to either pay for the season in full or pre-pay in five week blocks throughout the CSA season. You do not need a CSA membership to purchase farm market shares, place orders from our Farmazon online store, or order additional items listed on page two of this form. CSA members will receive an information sheet detailing the specifics of the season. Please contact us if you want to use SNAP/EBT benefits to pay for a CSA.

**NATURALLY GROWN PORK and BEEF**

Our livestock is raised in a healthy and humane manner, and we consider our animals to be an integral part of our diverse farm operation. Feed prices are volatile right now, and processing availability and costs are also changing. We reserve the right to adjust prices as needed to accommodate our production costs. Quantities of custom processing of whole, half and quarters are limited. Pork and beef are also available by the cut. Orders for individual cuts may be placed on our Farmazon online store. We also bring a selection of cuts to the Farmers' Markets.

**PASTURE RAISED RED WATTLE PORK**

Our heritage breed hogs are born on the farm and raised outside on pasture. They help recycle culled vegetables from our fields and are supplemented with organic grains, which are freshly ground on the farm and mixed with organic minerals, probiotics and kelp. We offer our pasture raised pork by the quarter, half or whole. Orders will be processed to your specifications. Expected hanging weight is approximately 200 pounds per hog. Price includes processing and packaging. Smoking and sausage have an extra charge per pound. Available Late Fall or Winter 2023

**Pork deposit** \$ \_\_\_\_\_

Please include a \$100 deposit with your pork order.

**GRASS FED BEEF**

We raise hardy breeds that thrive on pasture. When seasonally possible, the cattle rotationally graze a diverse diet of re-mineralized pasture. They are overwintered on organic hay. This produces an extra lean, nutritionally superior meat that higher in omega 3 fatty acids, antioxidants, and CLA (conjugated linoleic acid) than commercial beef. Our exclusively Grass Fed Beef is available by the whole, half or quarter ("split half"). Orders will be processed to your specifications. Expected hanging weight per beef is approximately 475 pounds. Price includes processing and packaging. Available Late Fall or Winter 2023
